### Important Instructions:

- The assessment for Skills Theory will be conducted digitally through multiple choice questions
- The assessment for Skill Practical will be conducted digitally through multiple choice questions
- The questions will be based on case lets or situations; the learners are required to interpret the situations, apply the knowledge and answer the questions.
- The aforementioned number of questions for both theory and practical may vary depending on the assessment blueprint.
- The marking, rubrics and tabulation of these results will be automated.
- Certified assessors are not mandatory for assessment of NSQF level 4 and below job roles as assessment is conducted in comprehensively digital manner.
- The assessor's role for the Job Roles below NSQF Level 4 gets limited to that of a proctor only. Therefore, the Assessment Agencies can employ qualified proctors with approved SDMS login credentials for such assessments.
